Dear Supplier,

Subject: Change of Standard Payment Terms

As many other companies, Syngenta and its subsidiaries have adopted a corporate policy change to pay all our suppliers by the standard terms of 60 days End of the Month (EOM). This new policy brings us in line with current industry standards.

Accordingly, this letter is our notice to you that this policy change will be applied to all future contracts, effective January 1, 2020.

If you have a valid contract in place with Syngenta, agreed payment terms will be honored. Please use the contact number below to confirm your existing contractual terms agreed with Syngenta.

We highly value your partnership with our company and we have a dedicated team available. Should you have any questions or concerns regarding this communication please contact Syngenta Service Desk via phone at (+593) 4500-0268 or via email at 'sbs_pa.servicedesk@syngenta.com'.

Yours sincerely,

Mark Patrick
